Attachment I 2020 Business Report, Financial Statements and Audit Committee's Review Report

1. 2020 Business Report

Continental Holdings Corp. (CHC), despite faced with the industry environment and society impacted by COVID-19 pandemic in 2020, saw all three main businesses of Civil & Building Construction, Real Estate Development, and Environmental Project Development with significant increase in net operating income thanks to the efforts of all employees and the support from business partners. CHC's consolidated operating revenues of NT\$21,689 million was slightly lower than the 2019 result of NT\$22,665 million but consolidated gross margin was 15.2%, better than the 2019 result of 12.1%; net operating income was NT\$1,762 million, up 33% from 2019. Net income reached NT\$1,539 million in 2020 for an EPS of NT\$1.87. This represented a significant increase from the previous year where net profit after tax was NT\$97 million and EPS was NT\$0.12.

The Civil & Building Construction business has now accumulated a solid volume of backlog to meet revenue growth targets for the next few years. Major public sector projects now under construction include: "Taoyuan MRT Green Line GC01 Contract", "Taoyuan MRT Green Line GC03 Contract", and "Construction of Public Housing at Nangang Depot Site in Nangang District, Taipei City." Future focus includ railroad, high-class housing, and commercial building construction projects. We also continue evaluating the development of new markets, leveraging our core abilities and solid credentials in construction in order to expand new sectors of growth.

For the Real Estate Development business, "La Bella Vita" has been completed and started to settle in 2020. Presale projects "Drawing the Dream Life", "Timeless and Modern Expression", "Tianjin Street Project" and "Arranging New Asia Bay" all saw strong interests from market in 2020, and are expected to drive profit growth upon their completion in the future. In 2021, the Real Estate Development business is planning to launch four new residential projects, and the iconic project "Bountiful Journey" is also scheduled for completion in the second half of the year. Overseas developments in San Francisco, U.S.A and Kuala Lumpur, Malaysia, are expected to be completed in 2021 as well.

The Environmental Project Development business was awarded with "Tongluo Science Park Wastewater Treatment Plant Phase II EPC Project" and "Tainan City Anping Reclaimed Water Plant New Construction Turnkey DBO Project" in 2020, an expansion to the project portfolio. The Environmental Project Development business also supported the domestic water resource policy in regard to climate change. The Environmental Project Development business will not only continue to enhance its professional capabilities in water resource related businesses, but also appraise opportunities thoroughly and constantly in order to enter other environmental engineering sectors such as biomass energy and solid waste treatment.

CHC will continue to focus on managing subsidiaries, planning the Group's business strategy, and coordinating Group resources. We have established the Corporate Social Responsibility Committee in 2020, dedicating more efforts on the environment, society and corporate governance. We are also committed to properly responding to stakeholders' expectations. Looking to the future, we will focus more on core businesses and enhancing enterprise value, as well as putting more effort on promoting corporate sustainability.

Independent Auditors' Report

To the Board of Directors of CONTINENTAL HOLDINGS CORPORATION:

Opinion

We have audited the financial statements of CONTINENTAL HOLDINGS CORPORATION ("the Company"), which comprise the balance sheets as of December 31, 2020 and 2019, the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the report of other auditors (please refer to Other Matter paragraph), the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2020 and 2019, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that are no key audit matters to be communicated in our report.

Other Matter

We did not audit the financial statements of investments measured by equity method of the Company. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for investments measured by equity method, are based solely on the reports of the other auditors. The financial statements of investments measured by equity method reflect total assets constituting 23.63% of the total assets at December 31, 2019. The related share of loss of subsidiaries accounted for using the equity method constituted 201.20% of the income before tax for the year ended December 31, 2019.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audits' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using equity method to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chung-Che Chen and Ti-Nuan Chien.

Independent Auditors' Report

To the Board of Directors of CONTINENTAL HOLDINGS CORPORATION:

Opinion

We have audited the consolidated financial statements of Continental Holdings Corporation and its subsidiaries ("the Group"), which comprise the statement of consolidated financial position as of December 31, 2020 and 2019, the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the report of other auditors (please refer to Other Matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Revenue recognition of construction contracts

Please refer to Note 4(r) for revenue from contracts with customers; Note 5 for recognition of revenue and measurement for the completed percentage of construction contracts; and Note 6(z) for construction contracts.

How the matter was addressed in our audit: As the budgets of construction contracts are highly related to the subjectively judgments of the managements, inaccuracy estimations for construction budgets may lead to significant changes in profit or loss of the financial reports. Therefore, there is a significant risk involved in the revenue recognition of construction contracts.

Our principal audit procedures included: selecting construction contracts that have significant impact on the presentation of the financial report; and for those construction budgets, assessing the managements' budget preparation process, acquired relevant materials in preparing the assumptions within the current period (including construction contract modification, design modification, and other documents with owners), and confirming whether the preparation of construction budget corresponds with the Group's internal authorization. In addition, selecting the valuation materials and checking their accuracy by recalculating the completed percentage of the construction cases, as well as executing the balance sheet cut off test.

2. Inventory evaluation

Please refer to Note 4(h) for accounting policy about inventory evaluation, Note 5 for estimation of inventory evaluation and Note 6(g) for inventory.

How the matter was addressed in our audit: The Group's inventories shall be stated at the lower of cost and net realizable value. At present, the real estate industry is affected by tax reformation and economic circumstances. There is a risk that the inventory cost may turn out to be higher than its net realization value. Our principal audit procedures included: For construction cases in progress and real estate for sale, which is in accordance to the contract price for presale and the selling price of actual registering, assessing the differences between their booked value and fair value, and any possibility of their significant impact on the financial report, comparing with the investment analysis provided by the management, and reassessing according to the actual situation, there is no impairment.

Other Matter

In the Group's consolidated financial statements, we did not audit the financial statements of certain subsidiaries. Those statements audited by other auditors has been furnished to us, and our opinion, insofar as it relates to the amounts included for those subsidiaries, is based solely on the report of the other auditors. The financial statements of these subsidiaries reflect the total assets constituting 11.70% of the consolidated total assets at December 31, 2019, and the total revenues constituting 0.78% of the consolidated total revenues for the year ended December 31, 2019.

In addition, in the Group's consolidated financial statements, which include certain investee companies accounted for under the equity method, were audited by other auditors, and our opinion, insofar as it relates to the amounts included for those investee companies, is based solely on the report of the other auditors. As of December 31, 2019, using the equity method, the Group's investment in these investee companies constituted 0.95% of the Group's total asset; the losses resulted from the Group's investment in the associates and joint ventures represented 124.35% of the Group's income before tax for the year ended December 31, 2019.

Continental Holdings Corporation has prepared its parent-company-only financial statements for the years ended December 31, 2020 and 2019, and we have issued an unqualified opinion and an unqualified opinion with other matter thereon, respectively.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the FSC, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chung-Che Chen and Ti-Nuan Chien.

Appendix I

Rules of Procedure for Shareholders' Meetings

Article 1. (Legal Basis)

The Company's shareholders meetings, except as otherwise provided by law, regulation, or the Articles of Incorporation, shall be conducted in accordance with the Rules.

Article 2. (Sign-in at Shareholders' Meeting and Calculation of Attendance)

Shareholders or their appointed proxies (collectively "Shareholders") should display their attendance cards and submit their sign-in cards in lieu of signing in. The number of shares represented shall include shares exercised by electronic means. Identification documents should also be carried by non-shareholder proxy agents and solicitors with letters of authorization for verification.

The shares of those that fall into one of the following categories have no voting rights so will not count towards the total number of issued shares and represented shares:

- i. Shares held by the Company itself in accordance with the law.
- ii. The shares of the Company that are held by a subordinate company where the majority of voting shares or total equity is held by the Company.
- iii. The shares of the Company that are held by another company where the majority of voting shares or total equity is held directly or indirectly by the Company or its subordinate compan(ies).

Article 3. (Convening of Shareholders' Meetings)

If a Shareholders Meeting is convened by the Board of Directors, the meeting shall be chaired by the Chairperson of the Board. When the Chairperson of the Board is on leave or unable to exercise their powers for any reason, the Chairperson shall designate a Director to act as the Chair. If no acting Chair is appointed by the Chairperson, then the Directors shall select one of their number to serve as the Chair.

If a Shareholders' Meeting is convened by a party other than the Board of Directors with the power to convene, the convener should preside as the Chair. When there are two or more such convening parties then they should select a Chair from among themselves.

Article 4. (Non-voting Personnel at a Shareholders' Meeting)

The Chair may appoint its attorneys, certified public accountants, or other related personnel to attend a Shareholders' Meeting in a non-voting capacity.

Article 5. (Preservation of Order at the Meeting Venue)

The Chair may direct organizers of the Shareholders' Meeting as well as inspectors (or security staff) tasked with maintaining order at the venue to assist with the conduct of the meeting. Such personnel should wear identifying badges or armbands.

Article 6. (Holding of Shareholders' Meetings)

The Chair should call the meeting to order at the scheduled time.

However, when the attending shareholders do not represent a majority of the total issued shares, the Chair may announce a postponement, provided that no more than two such postponements with a total duration of no more than one hour, are made. If the quorum is not met after two postponements but attending shareholders represent one third or more of the total issued shares, a tentative resolution may be adopted pursuant to Article 175, Paragraph 1, of the Company Act. All shareholders shall be notified of the tentative resolution and another Shareholders' Meeting shall be convened within one month.

If the attending shareholders represent a majority of total issued shares, the Chair may submit previous tentative resolutions to another vote by shareholders pursuant to Article 174 of the Company Act.

Article 7. (Discussion of Proposals)

The agenda of a Shareholders' Meeting shall be set by the Board of Directors. The meeting shall proceed in the order set by the agenda and may not be changed without a resolution of the Shareholders' Meeting.

The Chair may not declare the meeting adjourned before all items on the agenda (including extraordinary motions) have been deliberated upon, except by a resolution of the Shareholders' meeting, or for the general discussion of extraordinary motions.

Once a meeting has been adjourned, attending shareholders shall not elect another Chair and resume the meeting at the same or another venue. In the case that the Chair adjourns the meeting in violation of the Rules, the majority of the attending shareholders shall elect a chairperson to continue with the meeting.

Article 8. (Shareholder Proposals)

Any proposals put forward by attending shareholders, or any proposed corrections or alternatives to an existing motion, should be made in writing. With the exception of extraordinary motions, such proposals should also be signed and seconded by another attending shareholder. The shares represented by the proposer and those seconding the motion should amount to at least 0.2% of all issued voting shares.

When there is an amendment or an alternative to a proposal, the Chair shall decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

The discussion and voting order for any extraordinary motions proposed at a Shareholders' Meeting shall be left up to the discretion of the chair.

Article 9. (Handling of Proposals before Shareholders' Meetings)

If any proposals were made before a Shareholders' Meeting but not included on the agenda, the Board of Directors should state the reason for their non-inclusion in the meeting handbook of the general shareholders' meeting. Such proposals will not be included separately in the agenda or recorded in the meeting minutes.

Shareholder proposals may be included in the agenda of the Shareholders' Meeting after being reviewed by the Board of Directors. Motions of the same type may be merged by the Chair in accordance with Article 8, Paragraph 2.

Article 10. (Shareholder Speech)

Attending shareholders who wish to speak during the meeting must fill out a speech note with a summary of their speech, their attendance card number, and their name. The sequence of speeches shall be determined by the Chair.

If an attending shareholder submits a speech note but does not speak then no speech shall be deemed to have been made. If the content of the speech is not consistent with the content of the speech note, then the content of the actual speech shall prevail.

If an attending shareholder has any questions regarding items to be reported on the agenda, they should wait until the entire report has been read or presented by the Chair or the appointed person before speaking. Each person may not speak for more than 2 times and no longer than 5 minutes each time. Speaking time may be extended by 5 minutes with the Chair's permission but no more than once.

The duration and number of speeches that attending shareholders may make for each acknowledgment and discussion on the agenda, and for all motions put forward during the extraordinary motion procedure, shall also be governed by the last paragraph of the preceding section.

The duration and number of speeches that attending shareholders may make for non-motion-related questions and speeches during the extraordinary motion procedure shall be governed by the last paragraph of section 3.

Where a non-shareholder juristic person is appointed by a shareholder to attend a Shareholders' Meeting on their behalf, the juristic person may only appoint one representative to attend and speak during the meeting. If two or more representatives are appointed by the government or a juristic person shareholder, or those attending as the proxy of other shareholders, only one person may be nominated to speak on their behalf.

The Chair may terminate the speech of any attending shareholder if their speech runs overtime or strays from the scope of the motion. If they refuse to stop speaking or impede the meeting procedure in some other manner, the Chair may direct the inspectors (or security staff) to take any necessary measures to preserve the order of the meeting venue, or to allow the meeting to proceed as normal.

When an attending shareholder is speaking, other shareholders may not speak or interrupt them without the consent of the Chair. Any violations should be stopped by the Chair.

After an attending shareholder has spoken, the Chair may respond in person or direct the relevant personnel to respond.

Article 11. (Putting Motions to a Vote)

When a motion is under discussion, the Chair may bring discussions to an end at a suitable time. Once discussions have been brought to an end the Chair may immediately put the motion to a vote.

Article 12. (Voting on Motions)

Voting on motions is calculated on the basis of shares with each share representing one vote. Except as otherwise provided by law, regulation, or the Articles of Incorporation, a motion is carried if it is supported by a majority of the votes from attending shareholders. Voting for the election of Directors shall be handled in accordance with the Rules for Election of Directors.

Except when shareholders are exercising their opposing vote in writing or electronically to a motion, if the Chair asks for any objections and there are none, then the motion is carried with the same force as if it were put to a vote. Resolutions should be recorded in the meeting minutes.

Article 13. (Vote Monitoring, Vote Counting, Ballot Retention, and Handling of Disputes)

When a motion is put to the vote, the Chair shall appoint two ballot inspectors and a number of ballot counters to carry out the necessary tasks. Ballot inspectors should be shareholders. The votes on each resolution will not be called. The outcomes of the voting should be reported on the spot and recorded. The ballots shall be sealed then signed or stamped by the ballot inspectors before being retained by the Company for safekeeping.

If a shareholder disputes the voting process, counting method, and the validity of the ballots, the ballot inspectors shall record the disputing person's shareholder account number, weighted votes, and the matter being disputed. The record shall then be signed or stamped before being sealed.

Above disputes should be handled by shareholders in accordance with the appropriate legal process. No dispute may be used to obstruct or interfere with the meeting proceedings.

Article 14. (Invalid Ballots and their Determination)

Ballots are deemed invalid if ballot inspectors unanimously decide that they fall into one of the following categories:

- (1) Vote was not cast using ballot paper prepared by the Board of Directors.
- (2) Vote was not cast using ballot paper specified by the Chair.
- (3) Blank ballot paper was cast into the ballot box.
- (4) Writing is indistinct, illegible, or has been altered.
- (5) Ballot has been modified or marked with other text or symbols.
- (6) Both for and against are circled.
- (7) Ballot paper has been torn and is no longer intact

Article 15. (Recess and Resumption of a Shareholders' Meeting)

The Chair may announce a recess at a suitable time during the meeting. If there is an air-raid alert or some other matter that prevents the meeting from proceeding, the meeting should be adjourned and evacuated immediately. The meeting may resume an hour after the alarm is canceled or the end of the event.

Article 16. (Matters Not Specified in these Rules)

The procedures, handling of motions, method of voting, and all other matters relating to Shareholders' Meetings shall be governed by these Rules. The conduct of any matters not covered in these Rules except as otherwise provided by the Company Act, the Securities and Exchange Act, and the Articles of Incorporation, shall be as directed by the Chair.

Article 17. (Appendix)

These Rules and any amendments shall take effect after having been approved by a Shareholders' Meeting.

- Article 20: The Directors shall be organized into a Board of Directors for the exercising of their duties and authority as Directors. The Directors shall also elect among themselves a Chairperson in accordance with relevant laws, and the Chairperson Board of Directors shall have the authority to represent the Company.

Article 21: Meetings of the Board of Directors shall be convened by the Chairperson. Each Director should be given seven days' notice and given the reason for the convening of the meeting. Meetings may, however, be convened at any time in the case of an emergency.

The aforementioned notice may be made by written notice, by fax, or electronically.

Article 22: Meetings of the Board of Directors shall be presided by the Chairperson. In case the Chairperson is on leave or otherwise cannot exercise his/her duties, the Chairperson shall appoint a director to act as his/ her deputy. If a deputy was not appointed by the Chairperson, the Directors shall elect among themselves a Chairperson to preside over the meeting. Directors should attend each meeting of the Board in person. The board meeting may be convened via video conference call, and the Directors who attend the board meeting via video conference shall be deemed to have attended the meeting in person. If a Director is unable to attend a meeting of the Board for any reason, he/she may appoint another Director as his/her proxy each time with a power of attorney stating the scope of authority with reference to the reason for the meeting.

A Director may act as the proxy for only one other Director only.

- Article 23: (deleted)
- Article 24: The operations and management of the Company, unless otherwise to be resolved by the shareholders' meeting as required by law or the Articles of Incorporation, are resolved by the Board of Directors.
- Article 25: Resolutions of the Board shall be adopted by a majority of the Directors at a meeting attended by one-half of the Directors, unless otherwise provided for in the *Company Act*.
- Article 26: The Board of Directors is authorized to determine the compensation for the Directors, by taking into account their participation in the Company's business and their contribution value, and domestic and overseas industry standards.

Travel expenses or attendance fees may be reimbursed to the Directors of the Company. The amount is to be determined by the Board of Directors.

Article 27: Functional committees may be established by the Board of Directors to ensure proper oversight and to enhance management capabilities. The articles that govern the jurisdiction of each specialized committee shall be defined by the Board of Directors.

The Company may, in accordance with applicable laws and regulations or rules issued by competent authorities, purchase Directors and Officers Liability Insurance with respect to liabilities resulting from exercising directors' duties during their terms of office.

Section V. Managerial Officers

Article 28: The Company may appoint one Chief Executive Officer (CEO) and several officers. The CEO shall follow the resolutions of the Board of Directors to manage the operations of the Company. Their appointment and discharge shall be determined by resolution of the Board of Directors.

The aforementioned officers must obtain authorized personal signature or Company sealed authorization letter resolved by the Board of Directors when endorsing, guaranteeing, signing contracts or signing bills with their name on behalf of the Company.

Section VI. Accounting

- Article 29: The fiscal year of the Corporation shall begin on January 1 of each year and end on December 31 of the same year. The final accounts shall be prepared at the end of each fiscal year.
- Article 29-1: If there is profit for a specific fiscal year, the Company shall allocate 0.5% of the profit as employee's compensation and no more than 0.5% as remuneration to Directors, provided that the Company's accumulated losses shall have been covered in advance. The employees of affiliated companies may be included in the distribution of employee's compensation.

The distribution terms for employee's compensation and the amount of Directors' remuneration aforementioned shall be resolved by the Board of Directors with majority vote from more than two-thirds of Directors in attendance, and be reported to the shareholders' meeting.

- Article 30: The following documents of the Corporation shall be prepared by the Board of Directors after the end of each fiscal year and submitted to an ordinary shareholders' meeting for acceptance in accordance with the statutory procedure.
 - 1. Business report.

2. Financial statements.

- 3. Proposal Concerning the Distribution of Earnings or Covering of Losses.
- Article 31: The Company adopts a steady and balanced dividend policy. When it is determined that the Company has earnings for a fiscal year, the earnings shall firstly be appropriated to profit-seeking enterprise tax payable, make up the losses of previous years, set aside 10% of the earnings as legal reserve, and set aside or reverse the special reserve in accordance with Article 41 of the Securities Exchange Act and applicable laws and regulations. The aforementioned ending balance plus unappropriated retained earnings of previous years shall be earnings available for distribution based on which a dividend distribution proposal shall be submitted. The total amount of cash dividend distributed under above distribution of earnings shall be no less than twenty percent of total dividend to shareholders.

In the case when distribution of earnings aforementioned is to be issued in the form of new shares, the proposal should be drafted by the Board of Directors and submitted to the shareholders' meeting for approval before distribution.

For a proposal on distribution of earnings under Paragraph 1, the Board of Directors is authorized to determine whether the dividend or bonus is to be distributed as cash in whole or in part. The resolution requires a majority vote with at least two-thirds of all Directors in attendance, and shall be reported to the shareholders' meeting. If the Company incurred no loss, then the Board of Directors is authorized to distribute the legal reserve and the capital reserve specified in Paragraph 1, Article 241 of the Company Act as cash in whole or in part, proportional to the original shareholding ratio of shareholders, by a majority vote of the Board of Directors with at least two-thirds of all Directors in attendance, and report the resolution to the shareholders' meeting.

Article 32: In the case when the accumulated legal reserve equals or exceeds the Company's paid-in capital, further allocations may be suspended by resolution of the shareholders' meeting.

Section VII. Other

In regard to all matters not provided for in the Articles of Incorporation, the Company Act shall govern.

Article 34: (deleted)

Article 33:

Article 35: The Articles of Incorporation was established on November 2, 2009. The first amendment to the Articles of Incorporation was made on June 29, 2010, the second amendment on May 25, 2012, the third amendment on June 6, 2014, the fourth amendment on May 22, 2015, the fifth amendment on June 14, 2016, the sixth amendment on June 12, 2019, and took effect with the approval of the shareholders' meeting.

Appendix III

Rules for the Election of Directors

- Article 1 The election of Directors of the Corporation shall be conducted in accordance with these Rules.
- Article 2 To elect the Directors of the Corporation, the number of votes exercisable by each share should be equal to the number of Directors to be elected. Votes may all be cast for one candidate or split between multiple candidates. Candidates that receive a prevailing number of votes shall be elected as Directors.

The shareholder number or attendance pass number shall be printed on the ballot as a substitute for voter registration. Ballots shall be prepared and distributed by the Board of Directors. The format, content and the information to be provided shall be set by the printer of the ballots. No unauthorized alterations are permitted. Ballots should be cast into the ballot boxes specified by the Chairperson.

In addition to the two above provisions, shareholders may also exercise their voting rights through mail-in ballots or electronic voting. The methods for mail-in ballots or electronic voting are indicated on the convening notice for Shareholders' Meetings.

- Article 3 The candidate nomination system shall be adopted for the election of Directors of the Corporation in accordance with the Company Act and related laws and regulations. Shareholders should elect the Directors from the list of candidates announced by the Corporation.
 The election of Directors and Independent Directors of the Corporation shall be held concurrently in accordance with the relevant procedures of these Rules. The number of Independent Directors and non-Independent Directors to be elected shall be calculated separately. Candidates that receive a prevailing number of votes shall be elected.
- Article 4 Voters may write only the number of the candidate director in the "Candidate" field on the ballot, or write their name and/or title. Only one candidate may be written per "Candidate" field. If the name being written is identical to that of another candidate, the voter should include the number assigned to the candidate by the list of candidate directors for the sake of identification.
- Article 5 The number of Directors of the Corporation shall be as specified in the Articles of Incorporation and as announced. Those who receive ballots that represent a prevailing number of votes are elected. If the number of elected candidates exceeds the specified number of seats due to two or more candidates receiving the same number of votes, the winner shall be determined by lot. If a candidate is not present then the lot will be drawn by the Chairperson on their behalf.
- Article 6 At the start of the election, the Chairperson shall appoint two ballot inspectors and multiple ballot counters to discharge their respective duties.

- Article 7 The duties of the ballot inspectors are as follow:
 - (1) Opening the ballot box for public inspection before the start of voting.
 - (2) Maintain order and supervise the voting to check for any oversights or illegal activity.
 - (3) Once all votes have been cast, unseal the ballot boxes to remove the ballots and check the total number of ballots.
 - (4) Inspect the ballots to check for any that are invalidated under the provisions of these Rules then pass the valid ballots to the ballot counter.
 - (5) Ballot inspectors shall record the number of votes received by each candidate and co-sign the tally report with the ballot counter.

(6) Sign the sealed ballot pouch as proof that it has been sealed for safekeeping.

Votes do not have be called out as they are being tallied.

- Article 8 A ballot shall be deemed invalid if all ballot inspectors agree that it falls into one of the following categories:
 - (1) An unauthorized ballot was used, the ballot was not cast into the ballot box specified by the Chairperson, or the ballot was altered.
 - (2) The number of candidates written down exceeded the specified quota.
 - (3) The ballot was not filled out in accordance with Article 4, or where it also contains other writings or symbol.
 - (4) The writing is too indistinct to be legible.
 - (5) A blank ballot was cast into the ballot box.
 - (6) The voter cast more votes than they actually hold.
- Article 9 Once all ballots have been cast the ballot box is unsealed by the ballot inspectors.
- Article 10 Once the results of the tally have been verified by the ballot inspectors, the election results are submitted to the Chairperson. The Chairperson shall announce the list of elected directors on the spot.
- Article 11 Any matters not specified in these Rules shall be conducted in accordance with the directions issued by the Chairperson unless otherwise specified by law or in the Articles of Incorporation.
- Article 12 These Rules and any amendment hereto shall take effect after they are approved by the Shareholders' Meeting.
